1 SECTION 14 PAGES

NUMBER 24

Expects Plan By April 5

## Grand Jury Demands Plan

Being "fully mindful of the fact that the County Commission is one of the elections that will be held in 1976," the Elba Division of the Coffee County Grand Jury submits its report of December 1, 1975 to Circuit Judge Eris Paul.

In the final report of the year, the jurors reported an improvement on the jail from the last report and commended Sheriff Neil Grantham's Department for its cleanliness and the way the prisoners are being cared for and fed. The jury members had further favorable comments for the business-like manner in which the Sheriff's Office handles its business, and specifically commended Deputy Ray Norris.

Other favorable comments included those that bonds of the various county officials were found to be properly filed and recorded into the books and records, and records of the county appeared to be well kept. However, it was found that the problem of storage space for records in the offices of the Circuit Clerk and the Probate Judge still exists, and recommendations were made for this solution.

The report stated that "in reviewing prior Grand Jury reports with regards to county property, we find that recommendations of the Grand Jury have been either ignored or only partially complied with." Specific areas include:

The County Office annex, which "conditions mentioned in the Grand Jury Report of the 24th of June, 1975, still exist."

The Health Center building appears to be in good repair, they reported, but the members find that "the front door does not function properly... and should be corrected or replaced," as mentioned in prior reports.

The jail is sub-standard, obsolete, and is not adequate as far as the number of prisoners that can be housed, and there are no facilities for keeping female or juvenile offenders.

The Courthouse building is in bad need of repair from the standpoint of water damage to walls and floors," and they recommended again that this building be brought up to a "standard worthy of Coffee County or abandoned."

In the Pensions & Security Building, attention was called to windows that needed to be adjusted to accommodate necessary air-flow for heating and cooling, and it was found that additional space was also needed here.

In summary, the Grand Jury recommended and demanded "that the County Governing Body take a very close look at all of the properties of the county including its real estate and the operation of the unit system, and prepare a list of priorities together with long-range planning for the county to cover a five-year period and make available to this Grand Jury which we will recess and call

back on Monday, April 5, 1976, to receive this information. We specifically desire that the County Governing Body cover in this report plans for building and financing an adequate jail building and the feasibility of Courthouse financing. We further recommend that such report be filed with the Circuit Clerk and Honorable Eris F. Paul, Circuit Judge, on or before Friday, April 2, 1976, and a copy made available to the District

Attorney. Should such report be not forthcoming, we hereby instruct the District Attorney to subpoena the members of the County Governing Body before us to explain their inaction if such explanation can be made.

"This Grand Jury wants it fully understood by the County Governing Body that action on these recommendations should be given their first priority because we consider it such that more drastic action may

follow."

During its course of empanelment, the Grand Jury examined into forty-one presentments, and handed to the Court twenty-seven indictments, twenty-five of which are felonies and two misdemeanors. They referred one presentment returned to the Inferior Court, and sent to the Enterprise Division Grand Jury two presentments where the venue lies in the Enterprise Division.

Scene At Rotary Farmers Night Last Week

### Deadline Nears For Signing Assessments

Tax Assessor Fred L. Donaldson reminds all property owners to come to his office and sign property assessments for this year.

All property owners are required to sign and claim all exemptions allowed by law each year.

### Mail Santa Letters

### To Clipper Again

It is December and time for Santa to visit the area is just around the corner. It has become an annual tradition for THE ELBA CLIPPER to publish letters to Santa. Last year four hundred and fifty youngsters wrote letters to Santa and they were published in the Christmas edition of the paper. This will be done again this year.

Letters have already started to arrive in the CLIPPER office and Santa often drops by to look them over a little ahead of the magic day. Youngsters from one to one hundred are urged to again send their letters in care of THE ELBA CLIPPER. We feel it would be nice if the younger children would add their parents' name to the bottom of their letter.

### Private Work By City Is Explained

Wednesday morning (yesterday) an irate citizen called to say water and electric crews were installing light bulbs at Bill's Spur Station. A quick check proved that they were in fact installing lights on private property and the men on the truck didn't deny it.

A telephone call to City Clerk Jack Prescott revealed that the lights had been blown because of an error on the part of city crews and due to this error caused surge in electricity blowing the lights, the city had an obligation to replace them.

### Girl Scouts Are Selling Calendars

Local Girl Scouts are now selling 1976 calendars, according to Carol Sodergaard, Unit Service Coordinator.

Brownies, Junior Scouts and Cadettes are involved in the project.

The calendars cost 50¢, and all proceeds will go to troops for their projects.

## Council Discusses Community Development

The Elba City Council held a relatively short meeting on Tuesday night of this week. The meeting began at 6:30, thirty minutes earlier than normal and was adjourned by 7 p.m. This was, in spite of a lengthy informal discussion on the Community Development project with D. M. English and a number of interested citizens.

The council moved smoothly through the planned agenda, heard several citizens who came in to ask questions and a sudden move to adjourn came from Councilman Charles Ellis just as Mayor Sam Sawyer began to relate information about some telephone calls he had received. Sawyer smiled, recognized the motion and accepted Ronnie Vaughan's second. A swift vote followed with all councilmen voting to adjourn. The councilmen sat in their chairs for only a few seconds before the entire group departed without the usual hall sessions that almost always follow the council meetings.

The meeting opened with the usual reading of the minutes. After a short discussion over a notation in the minutes about thirty pair of skates being ordered for the skating rink at the recreation center the minutes were approved. This matter surfaced later in the meeting when Councilman Ben Carpenter came in late and read the statement in the minutes.

The councilmen determined that they didn't know of the purchase but didn't object. They did request that on all future purchases of sports supplies, bids be gotten from

D. M. ENGLISH

all local suppliers before purchases are made.

The council accepted the location of new temporary offices of Dr. Ronnie White in the Whitman Apartments on Claxton Avenue. The area is zoned R-2 and can be used for this purpose upon approval of the Zoning Board. The Zoning Board had approved the matter and council approval made it official.

Several members of the

fire department, including Robert Folsom, asked for a clear understanding on the motion last month concerning the pay raise for the firemen and the ownership of the new radios. The council told them the raise was permanent, the radios belonged to the men who paid for them as far as the council was concerned and that the City would only pay for repairs on the Chief's radio. With this understanding the discussion ended apparently to everyone's satisfaction.

The next matter also concerned the firemen, but was actually a formality. The fire department selects its own officers and recently elected a new slate of officers. The council must give official sanction to this action and after a few questions concerning newly elected Chief Lloyd Driggers living out of the city limits and working all over Coffee County the election was endorsed and the department commended for its fine work.

Former Chief Charles Cox thanked the council for the fine co-operation he had received during his service as chief, saying the city had always worked with him whenever asked.

The house on the airport property was discussed by the council. Last year bids were taken on the removal of the house from the property. A bid of slightly over \$800 was received and accepted for the house but it was never moved. The council instructed City Clerk Jack Prescott to issue a letter to Mr. Ellie Brunson to move the house within fifteen days or further action would be taken.

Christmas gifts for city employees are a tradition in Elba. In the past each employee was given a ham for Christmas. The council voted to give each employee a \$10 bonus this year rather than the material gifts, noting that some

perferred money and the cost of hams had escalated in recent years. The council was informed that 51 city employees qualify for Christmas gifts.

Mayor Sawyer notified the council that Christmas decorations would be put up beginning on Thursday of this week.

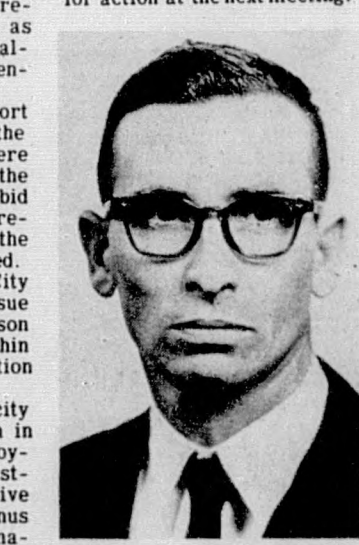

Councilman Virgil Coleman asked for a discussion on the lighting of the Mulberry Recreation area. "If we are going to do this we need to make a decision now," he said, "and not tell these people we are going to do it until we make this decision formally." After a short discussion Coleman made a motion to make the necessary provisions to light the Mulberry field by March 21st. Councilman Carpenter seconded the motion and the motion passed unanimously.

D. M. English reported on the city's progress with the \$40,000 Community Development grant Elba received and on long range plans for the projected slum clearance program. Several area citizens were present for this discussion and asked English questions on the matter.

Police Chief Johnston reported that Elba had been approved for a traffic school for traffic offenders. All that was needed was for the council to approve the school and the National Safety Council would furnish all equipment for the school. Johnston said this would not be the first offenders, but for repeat offenders. Approval was unanimous.

Towns surrounding Elba may send people to this school if they desire, said Johnston. Councilman Ronnie Vaughan asked about buying a new backhoe for the street department. This matter has been discussed several times in the past. Mayor Sawyer noted that he didn't feel the city could afford the expense. However, he didn't object to asking for bids on the machine and then deciding after exact prices were received.

Prescott notified the council that William Scarborough's term on the Housing Authority Board has expired. This will be placed on the agenda for action at the next meeting.

CHARLES COX

## Junior Scouts Take Thanksgiving Centerpieces To Nursing Home Residents

POOR ORIGINAL

## BRAINSTORMS

With Ferrin Cox

It wasn't really planned, but last week I wound up taking what could be classified as a mini-vacation. The paper went into the mail a day early and we locked the doors Wednesday afternoon. To rest. Thursday was Thanksgiving and I didn't work at all that day. Friday I tried some of this good old Coffee County fishing. Late Friday afternoon, my family and I left for Birmingham to attend THE ball game Saturday afternoon; and Sunday was spent eating turkey with my parents in Florida. All that meant that I didn't work from Tuesday night until Monday morning - but I was tired enough Monday to promise never to make that round-robin trip again!

The street talk around Elba seems to always turn to discussing football and "who will be the coach" at Elba High next year. A good bit of this talk centers around how much a high school coach in Elba should be paid. Reports of proposals range up to \$25,000 a year. However, reliable sources nip this in the bud, saying that the highest figure discussed with any potential coach is \$17,000. Some people have indicated they are in favor of paying this amount, if it takes this to get a good coach. Others violently oppose any additional pay for a coach. Then there are the middle of the road groups who favor some supplement, but lesser amounts. The question of "what school afford it?" almost always comes up. Some advocate individuals donating the supplement directly to a coach, which would be nobody's business but the man receiving the money and the people giving it. Neither this newspaper nor the editor would be the job of selecting a coach, but we have some free, unsolicited advice for the men who serve without pay to make such decisions. Gentlemen, please make your choice as soon as possible, not because we want to know, but because everyone's opinions are getting further and further apart among the interested people in and around Elba. We surely want you to make a decision you can live with as a Board and as individuals, but just as strongly want it done before opinions get so fixed that there is no way to satisfy everyone or those interested to attend the games through thick or thin.

The Elba City Council held a public hearing on the Community Development Program Tuesday night as required by law. D. M. English explained the short and long-range plans for the Elba program. Several interested citizens asked questions, and often English referred them to Ozark, where the same type plan has been in progress for several years. Two women present had been to Ozark with English, and observed the progress on the slum clearance. They were highly impressed, according to statements at the meeting. They didn't mind that they used this year, but he explained that little by little the project could be successful. There is a lot of "free" government money involved, and this might run out, but it sure will look good to the people getting it.

I read in one of the daily papers this week about a man getting killed by a police officer who thought he was driving a stolen car. It was all a mistake, but that isn't much help to the dead man. There were no details, but it is hard to understand anyone mistakenly killing a man because he thought the car he was driving was a stolen car. I don't know what difference it makes, but this man wasn't one of "just folks," he was some big wheel. But he is dead, and I expect a police officer is out of a job, or should be anyway.

Shorty Price is tired of running for Governor, I guess. Now he is running for President. Like all politicians, Shorty has his stumbling blocks, and he is getting arrested "because he smelled like he was drunk." It happened just after he announced he will run for president. Shorty was at THE ball game Saturday, out front waving an Alabama banner and stomping a stuffed tiger, much to the delight of the Alabama fans.

On the heels of the announcement about the Loch Ness Monster we mentioned last week was renewed publicity for the half-man-half ape that has been hunted and reportedly seen from the wilds of California to Washington and Oregon. These things run in fads and I wouldn't be surprised to read where someone has seen a mermaid in the Atlantic Ocean. Since I can't disprove any of them, I must believe it, I guess.

## SPEAKING OUT

Mr. Cox  
is the time of year when  
Pilot Club is seeking worthy  
names for its annual Man of  
the Year and Woman of the  
Year Contest that will be held  
in January.

Please urge all clubs,  
either civic, utility, social, or  
professional, to contribute to  
this program by submitting  
selective people to be con-  
sidered for this award.

Many applications have been  
mailed to club presidents, but  
if there are any who did not  
receive one, they may obtain  
one by calling Mrs. Crue at  
897-5493. Individuals may  
submit nominations also.

The resumes for each entry  
should include all participation  
at home, community and na-  
tional affairs.

We will have a hard job  
replicating Janet King and Dr.  
James Clay, but they won for  
their accomplishments in the  
year of 1974. Now is the time  
to consider achievements of  
individuals in the year of 1975.

Each club should remember  
that in order to have a win-  
ner, it must have an entry.

Any advancement you can  
give in this project will be  
greatly appreciated.

Miriam Bowers,  
Projects Division Coordi-  
nator, Pilot Club of Elba

INDIAN "DEMOCRACY,"  
GANDHI STYLE

Indian Prime Minister

Indira Gandhi recently won a  
marathon legal battle that was  
threatening her leadership of  
the nation. India's Supreme  
Court unanimously upheld her  
1971 election to Parliament and  
set aside a court ruling that  
convicted her of election mal-  
practice. The court ruling  
upheld legislation passed by  
Parliament that made her re-  
troactively immune from the  
election fraud charge. A five-  
judge bench of the Supreme  
Court overruled the verdict  
unseating her from Parlia-  
ment.

SENATOR  
SPARKMAN

DEAR SENATOR SPARKMAN:  
I read in the paper a report  
which alleged that you voted to  
cut jobs at Redstone Arsenal in  
Huntsville. I find this a little  
hard to believe. Is the report  
true? D. M. Huntsville

SPARKMAN: The report to  
which you refer is incorrect.  
I read in the paper a report  
which alleged that you voted to  
cut jobs at Redstone Arsenal in  
Huntsville. I find this a little  
hard to believe. Is the report  
true? D. M. Huntsville

DEAR SENATOR SPARKMAN:  
As I am sure you are aware  
of, the House of Representatives  
is being dumped on the U. S.  
market, adversely affecting the  
business of Alabama shrimpers.  
I hope you will use your  
influence to deal with this prob-  
lem. M. T. Mobile

SPARKMAN: I have asked the  
U. S. International Trade Com-  
mission, to evaluate the im-  
pact of foreign imports on sh-  
rimp markets in the Gulf of  
Mexico.

In 1974 120 million  
pounds of foreign shrimp came  
into Gulf ports. I do not advo-  
cate a ban on foreign shrimp  
because shrimp processors in  
the U. S. have some need for it,  
but I do think there should be  
adjustments to the shrimp im-  
port situation that would cre-  
ate a more favorable im-  
port to the Alabama and Gulf  
Coast shrimping industries.

DEAR SENATOR SPARKMAN:  
I understand that the budget  
for the United States Depen-  
dent Education System, Euro-  
pean Area, is to be cut by \$35  
million. This cut may very well  
eliminate the following pro-

grams: Kindergarten, Vocational  
Training, Special Educa-  
tion, and bus transportation for  
children required to live out-  
side military housing areas.

I do not understand why we  
are serving our country and  
living overseas must sacrifice  
the educational well-being of  
our children. W. S. APO, N.Y.

SPARKMAN: On November 18th  
the Senate passed the House-  
passed military appropriations  
bill, and restored all the mon-  
ies requested for the over-  
seas schools. Now the measure  
is scheduled for a House-Sen-  
ate conference to iron out the  
differences. I do support ad-  
equate funding for the schools  
our military dependent chil-  
dren. It is my hope that the House  
conferees will agree with the  
Senate thinking on this matter.

ALABAMA'S U.S. Senator  
Jim Allen Reports  
To The People

SUNSHINE IN GOVERNMENT  
ACTIONS WILL IMPROVE CREDIBILITY

The U. S. Senate has  
just approved a Senate  
Resolution requiring that  
all Senate Committee  
meetings and all Senate-  
House Conference Com-  
mittee sessions be con-  
ducted in open meetings.

It has also passed a bill re-  
quiring Federal agencies  
operating under the con-  
trol of more than one  
Commissioner to open their  
business meetings to the  
public. Executive ses-  
sions are permitted only to  
protect the National  
security, to allow discus-  
sion of personalities or  
trade secrets which it  
would not be in the public  
interest to disclose and for  
other clearly compelling  
reasons of public interest  
or confidentiality.

The move to require  
governmental bodies to  
hold their meetings in  
public sessions dates back  
to 1950 - just 25 years  
ago - at a time when only  
one State had such a law.  
Now 49 States have such  
laws. I am particularly  
proud that Alabama at  
that time was the only  
State to require govern-  
ment actions which we  
ment to operate in the  
open. Alabama has had a  
sunshine law since 1915,  
40 years before the first  
such requirement. I

I believe that the  
Senate's Sunshine in  
Government actions will  
help improve the credibil-  
ity and accountability of  
Congress and of govern-  
ment agencies and their  
employees.

Among those who participated  
in the program commemorat-  
ing the 10th anniversary of the  
founding of MacArthur State  
Technical College are the fol-  
lowing: (L. to R.) Mr. Raymond  
Chisum, Dean of Instruction;

Mr. Harry Clark, President,  
MacArthur SGA; Dr. V. L. St.  
John, Chairman, Advisory  
Board; Rev. Alfred Kiser, Pres-  
ident, Covington County Min-  
isterial Association; Honorable

Malcolm Sena, Mayor, City of  
Opp; Mr. E. C. Nevin, Presi-  
dent, MacArthur Tech. Dr.  
Wayne Teague, State Super-  
intendent of Education; and  
Mr. Raymond Elliot, Minister,  
Opp Church of Christ.

Mrs. John Christy, Mrs. Robert Holliman, Mrs. Evans Harzog  
at Dothan - secretary-treas-

ISSUES IN STATE  
GOVERNMENT

by Lt. Governor Jere Beasley

WORKMEN'S  
COMPENSATION

An important part of the  
new law will remove the  
limits of time and money  
for medical care and reha-  
bilitation. In cases of extended  
or permanent disability, com-  
pensation will be paid for the  
duration of the condition with  
a provision for mandatory  
vocational rehabilitation. In  
addition to these increases in  
compensation, the employer  
will be required to pay the  
total cost of any rehabili-  
tation, including travel and  
accommodations, and meal ex-  
pense. In case that a rehabilitated  
employee returns to suitable  
work at a salary less than he or  
she received prior to injury, the  
employer must continue to pay  
him 66 2/3% of \$102.00 per  
week. Other portions of the leg-  
islation will protect co-employ-  
ees and certain safety inspec-  
tors against damage suits for

negligence, will clarify language  
regarding lump-sum payments  
to a more workable form, and  
will promote efforts to im-  
prove claims administration.

Separate negotiations between  
labor and the Administration  
regarding coverage of govern-  
ment employees will be also  
allowed.

This brief sketch of some of  
the points contained in the  
recently-passed Workmen's  
Compensation bill should pro-  
vide some insight into the  
kind of legislation passed for  
the benefit of working Ala-  
bamiens. These very import-  
ant measures will, I believe, con-  
tribute to improve the lives of  
many hard-working citizens  
and can well be considered  
highly responsible progress. (In  
the event more detailed infor-  
mation is desired concerning  
the above, please write me at  
Room 201, State Capitol,  
Montgomery, Alabama 36130.)

NEWS from your  
PHARMACIST

KRIS SCARBOROUGH

One of the most science-buff  
fing disorders that plagues man  
is the common headache. Unold  
hours of research have gone  
into probing causes, and cures,  
and headaches, but many ques-  
tions concerning headaches  
remain unanswered.

A common headache is not a dis-  
ease, but a symptom of some  
disorder of the body. It can be caused by phys-  
ical or emotional disturbances,  
which cause a change in the  
blood vessels in the head and the  
result is a headache.

A remedy long known to medi-  
cal practitioners is the use of  
Analgesics, including Aspirin.  
Opium and other drugs are used  
to relieve the symptom of some  
painful headaches.

We don't have the answer for  
research problems dealing with  
headaches, but we do have the  
answer to all your medicinal  
needs. Let our trained, com-  
petent pharmacists serve you. We  
offer a complete line of modern  
medicines.

Medical Arts  
Pharmacy  
Elba, AL. 897-2511  
HINTS FOR THE HOME: For  
a bee sting a paste of baking  
soda on the bite will greatly  
reduce the pain.

HOW DO YOU RATE  
AS A HUSBAND?

The way a woman looks and,  
of course, the way she acts may  
be a good tip-off about her real  
feelings toward her mate. But a  
good long look at himself can be  
even more revealing for the  
man who wonders whether his  
wife has him pegged as a "nut"  
or a "fall".

See how many of these tips  
you already follow. And re-  
member, a sensitive husband  
makes a happy wife - and also  
happy kids.

Notice what your wife wears  
and how she looks. A man should  
be proud of his wife's appearance,  
and encourage her to be beautiful.  
Some psychologists have even  
suggested that a woman who  
doesn't take care of herself may  
be subconsciously punishing  
her mate for seeming indiffer-  
ent. Similarly, the extravagant  
woman may be crying "Notice me!" in a different way.

Listen. An amazing number  
of wives complain that their  
husbands don't listen when they  
speak. Don't be surprised, how-  
ever, if your wife is even bit  
as knowledgeable about world  
affairs, politics and the arts,  
as you are. So try discussing  
topics of importance with her.

Be fair about money. Even if  
you are the sole money earner  
in the family, it takes two to  
draw up a budget and make it  
work. Always be frank about the  
state of your finances, and  
secrecy about money, according  
to marriage counselors, creates  
tensions and resentments that  
can undermine a relationship.

Help her with the work  
around the house. Remember  
that housework is as much  
work as the work you do. So  
respect your wife for what she  
does, and since her work is  
difficult, tedious and time-  
consuming, why not help out  
clearly and cheerfully, or  
child care? Such thoughtfulness  
is really appreciated.

Be a bit of a romantic. It doesn't  
have to be the candy, flowers,  
and "our song" routine, although  
this would be fine if it came  
naturally. Keeping the romance  
in your marriage can mean  
something as simple as remembering  
that your wife is a woman with  
feelings, real needs, and real  
love.

In short, how you rate as a  
husband depends on how you  
rate as a person who is aware,  
interested, and sensitive to his  
wife's needs, to your kids, and to  
the complexities of a family's  
life together.

## CUTEST COUPLE

KATHY ATCHERSON - JIMMY MARSON

Well, the Elba is on the  
way to the press again this  
year, and as you are sure to  
know, the SENIORS of '76 are  
and will be around. The Elba  
staff minus the Sales & Advertising  
staff met Tuesday, November 25 for a  
mini-workshop from 1:00 -  
3:00. Two men from Paragon  
Press were present to pre-  
sent an interesting program  
on the business of a newspaper.  
How? But helping us help  
you out!

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba  
bags now to get an early start.

EVERYONE should be sure to  
go ahead and order their Elba

BLACK AND  
GOLD  
REVIEW

BY THE EHS STUDENT COUNCIL

Officers: Lisa Sharpless-President, Stan Lewis-Vice President, Brenda Oglesby-Secretary, Donna McCollough-Treasurer, Sherry Marler-Reporter.

Representatives: Derrick Boutwell, Jana Brown, Janet Brown, Bill Brunson, Sherry Donaldson, Chris English, Julie Holliday.

Editorial: Suggestion boxes were placed around in the school last Wednesday. I'm sure the students' views run into these. Any helpful suggestions that the Student Council might be able to handle will be welcome.

Also, a box has been placed by Mr. Sharpless' office. If anyone has a newspaper article they would like to have placed in the newspaper, please place it in this box. All articles will be welcome. So come on students, let your Student Council work for you. Submit your suggestions and let us work together and make EHS the best school around.

EDITORIAL: Suggestion boxes were placed around in the school last Wednesday. I'm sure the students' views run into these. Any helpful suggestions that the Student Council might be able to handle will be welcome.

STUDENT COUNCIL  
REPORT

A meeting of the Elba High School Student Council was held Thursday, November 20, in the semi-completed Student Council office. The sales of the posters, T-shirts, bumper stickers, and patches were discussed along with many other topics the council has encountered recently. One of the topics discussed was that of the newspaper articles. We are still urging everyone to write up some articles and turn them in for publication. It would really be a big help to us!

Another topic discussed was that of the suggestion boxes and the box for all the students to deposit their articles in each week. Take advantage of these boxes, students, and help us out. We'd like to hear from you by way of these suggestion boxes.

How? But helping us help you out!

EVERYONE should be sure to go ahead and order their Elba bags now to get an early start.

EVERYONE should be sure to go ahead and order their Elba bags now to get an early start.

EVERYONE should be sure to go ahead and order their Elba bags now to get an early start.

## HOW ABOUT THAT!

## 4-H Club Reports

### MRS. BRAGG'S CLASS

Mrs. Bragg's 4-H Club met on Tuesday, November 18, 1975. We chose our subjects and handed in our posters.

Our president called the meeting to order. Our secretary read the minutes and they were approved.

The meeting was adjourned.

BY THE REPORTER

### MRS. PATTON'S CLASS

Mrs. Patton's 4-H Club held their second meeting of the year on November 18, 1975. The main activity of the day was turning in posters for the art contest.

The "Bi-Centennial Essay" was discussed and the members were told that it should be written in 300 words or more. Other business included the "Cupcake" bake contest scheduled for the next meeting.

VERONICA CALDWELL

### MRS. CROOK'S CLASS

Mrs. Crook's 4-H girls met on November 18, 1975, in the Elba Middle School Learning Center. The meeting was called to order by our president, Cressenda Williams.

A song was led by Beverly Davis. The pledges to the flag and 4-H flag were led by Angela Hooks. The devotion was given by Janet McCarter.

Our posters were turned in to be judged. We got recipes for cupcakes which are to be judged at our next meeting.

We got forms for the pine seedling program and lamp kit to be filled out by the 4-Hers. The meeting was adjourned.

Sheila Spann, Reporter

### MRS. RAINIER'S CLASS

Mrs. Rainier's girls 4-H Club met on November 18, 1975. The president, Cathy Rusher, called the meeting to order.

Our song leaders, Jackie Branson and Benita Willis led us in three songs. Our devotion was given by Sylvia Bratley.

Our pledges to the flag and 4-H flag were given by our vice-president, Theresa Armstrong. The roll was called and the minutes read.

Our old business was taken up. The poster art contest, four of our members handed in 4 posters.

We had several items of new business. Each member was asked to write an essay of 300 words or more on the Bi-Centennial theme.

We were given cupcakes taken and judged at our meeting. We were given pins to order pine seedlings study lamp kits.

Our program, led by V. Wilson and Mrs. Webster, was on keeping a 4-H Record Book. The meeting was adjourned until December 16.

CRYSTAL CALDWELL, Reporter

### MRS. KILLINGSWORTH'S CLASS

Mrs. Killingsworth's 4-H boys met November 18, in the club room. The meeting was called to order by the president, Dennis Pope.

After group singing, which was led by our song leaders, Ken Morris and Philip Bess, the vice-president, Shane Mook, led the pledges to the American and 4-H flags.

The devotion was given by Craig Allen. Our secretary, Mark Bowers, called the roll and read the minutes of the last meeting. They were approved.

The vice-president introduced the program, "The Bicentennial Spirit," which was given by Mrs. Kris Scarborough. After the program, the president adjourned the meeting until next month at the same time and place.

GARY BRINKMEIER, Secretary

### MRS. RAYBORN'S CLASS

Mrs. Rayborn's boys met November 18, 1975 in the club room. The meeting was called to order by the president, Todd McCulloch.

After the club song, "The Star Spangled Banner," which was led by our song leaders, Paul Cox and Tim Daniels, the vice-president, Scott English, led the pledges to the American and 4-H flags.

The devotion was given by Brent Rachel. Our secretary, Gary Brinkmeier, called the roll and read the minutes of the last meeting. They were approved.

Subjects of business discussed were the poster art contest, the Bicentennial Essay, the woodworking contest, and the 4-H study lamp program.

The vice-president introduced the program "Keeping Record Books" which was given by Mrs. Daniels.

After the program, the president adjourned the meeting until next month at the same time and place.

STEVE COWART, Reporter

### ZION CHAPEL 4th GRADE

The first meeting of Zion Chapel's fourth grade 4-H club was held Oct. 14, 1975. Officers elected are as follows: President: Dedie Fuller; Vice President: Sherry Miller; Secretary: Terri Shiver; Reporter: Kim Smith; Devotion Leader: Donna Rugg; Song Leaders: Cindy Richards and Dany Savney; Game Leaders: Bill Baggett and Jeff White.

We then adjourned the meeting until next month.

Kim Smith, Reporter

### MRS. MITCHELL'S CLASS

We met in Mrs. Mitchell's class at 1:45 on Tuesday, November 18, 1975. Mrs. Pope and Mrs. Johnson took up our posters. They gave us an opportunity to enter the Bicentennial Essay and to order study lamps.

We then adjourned the meeting until next month.

Kim Smith, Reporter

### MRS. CROWE'S CLASS

Mrs. Crowe's girls met on Nov. 18 1975. The meeting was called to order by Sherry Miller. After group singing which was led by Harrover and Jennifer Lee, the vice-president, Beverly Rootwell, led the pledge to the American and 4-H flags.

The devotion was given by Fleming Kendrick. Our secretary, Julie Mauder, was absent, so Sherry Miller introduced the program, "Record Book-keeping," which was given by Mrs. Kelly. The leaders took up the posters. After the program, Sherry Miller adjourned the meeting until next month at the same time and place.

We did not have time to play a game.

GINGER WILSON, Reporter

### GOODMAN'S 4-H

The Goodman 6th and 7th grade 4-H Club girls met Friday, November 14, 1975, in the club room. The meeting was called to order by the president, Leon Bowden.

We sang two songs, led by Barbara Odom, a song leader. The vice-president, Vicki Kelly, led the pledges to the American and 4-H flags.

The devotion was given by Janet Bowden, our devotion leader. Our secretary, Terrie Herrington, called roll and read the minutes of our last meeting and they were approved.

Mrs. Christine Weatherford, our 4-H leader, took up posters for the poster-art contest. The meeting was called to order by the president, Todd McCulloch.

## BETA CLUB CONTINUES PROGRESS

The 1975-76 Beta Club is having a very active year. We are inviting many new members to join us and we hope non-Betas will work very hard.

The first meeting we held was to elect officers. They are as follows: President - Judy Rushing, Vice President - Darlene Barr, Secretary - Mary Deal, Treasurer - Glenda Bedsole, and Reporter - Nancy Helms. Mrs. Mary Herbert is the sponsor.

We have taken as our money making project the selling of raffle tickets. This money will be used to finance our service project - subscribing to various magazines for our school library and to finance a Beta Club trip.

New Beta Club members were initiated Friday, November 21. Their initiation consisted of dressing as a person who was important in the founding of our nation and of saying something about this person before the student body at assembly. The theme of the initiation is the Bicentennial of our nation. The person who did the best job in depicting their Bicentennial character received a prize of \$5.00.

We hope we will have a very successful year for the Beta Club.

Nancy Helms Reporter

## WHAT IF.....

Everybody always agreed about everything? Randy hadn't written a "book" about embalming? Margaret lost her brown sweater?

Judy forgot how to type? Somebody didn't lose 20c in the drink machines every day? Gene C. weren't rich?

The new roof leaks? We win every basketball game? Jerry D. could really type? Nathan could stay put?

All the radiators worked in cold weather? All the radiators didn't work in warm weather? More high school students had to stay in at recess than Jr. High students?

Nobody needed change for a dollar every morning? Potato chips cost 25c? Square dancing hadn't ended? Students didn't get bored?

All the girls were skirts one day? Paul W. didn't have a busted lip?

Mrs. Grider had long hair and wore mini-skirts? Z.C. Junior Basketball team had a good winning season? We still had a few more football games to play?

## Editorial.....

"Oh, say can you see," is that as far as you can get singing our National Anthem? At a recent assembly, there was a great lack of participation when our student body was called upon to sing our National Anthem.

Where does the blame lie? Possibly, a few students don't sing anything anymore, but probably for most of us the reason would be lack of emphasis on patriotism in our home and at school.

In this our Bicentennial year, we need to take advantage of the opportunities to reawaken our patriotic spirit. After all, it is OUR flag, our National Anthem, and our country for which they stand and feel a pride in them?

There will be beauty in the heart. If there is righteousness in the heart, there will be beauty in the character. If there is beauty in the character, there will be harmony in the home. If there is harmony in the home, there will be order in the nation. If there is order in the nation, there will be peace in the world.

## SENIOR OF THE WEEK

Meet Keith Flowers - Senior of the Week! Keith is the son of Mr. and Mrs. Johnnie B. Flowers of Route One-Jack and he is married to the former Shirley Downing.

His favorite pastime is fixing his van. Keith's pet peeve is teachers overloading students with work. What he likes about Z.C. is the way it has grown and been improved. He believes that by his graduating this year the school will be further improved. Keith's future plans are to devote himself to marriage and probably go into service.

### Clifton Allen

#### Completes Team

#### Training School

Clifton Allen, staff manager of the Elba Policeholders' Service Office, Mutual Savings Life Insurance Company, has just completed an intensive four-day Team Manager's Training School at the company's home office in Decatur, Alabama.

Nine staff managers and one district manager from ten cities and towns in the states of Alabama and Florida were in attendance at the school. Special study courses and workshop sessions completed by the staff managers and district manager were designed to teach the efficient use of life insurance as a valuable life of property. It will enable the company, through these graduates, to offer a more efficient service to the company policyholders.

Accreditation diplomas will be given upon satisfactory completion of a continuation education program extending over several weeks within his community.

### Judge of Probate for Coffee

County, Alabama on August 30, 1975 in Book 58-A, pages 322-825, and

The entire indebtedness secured by the said Real Estate Mortgage having been declared due and payable as therein provided, the undersigned, the United States of America, acting through its authorized representative, under and in compliance with the power of sale in said Real Estate Mortgage, will proceed to sell at public outcry, for cash, to the highest bidder in front of the Court-house of said County, during the legal hours of sale, on the 4th day of December,

1975, the following described property conveyed by said Real Estate Mortgage, to-wit: One lot or parcel of land in the City of Elba, Coffee County, Alabama, together with the dwelling and other improvements thereon and being more particularly described as follows: Lot no. 16 of Edgewood Part Subdivision according to the plat of said subdivision recorded in Plat Book 1, page 88, in the office of the Judge of Probate in Elba, Coffee County, Alabama, together with the dwelling and other improvements thereon.

Note: One-half interest in gas, oil and mineral rights reserved to a former owner of said property.

The proceeds of said sale will be applied to the payment of said indebtedness, other charges, and the expenses of sale, as provided in said Real Estate Mortgage to the United States of America.

This 18th day of November, 1975

UNITED STATES OF AMERICA  
By: /s/ James L. Hall  
Acting State Director  
(Alabama)  
Farmers Home Administration  
United States Department of Agriculture  
11-27-75

A selection committee will choose six designs submitted by January 6, 1976. From the six designs the American Lung Association and the National Art Education Association will select the one which will represent each state and territory on the final sheet.

Paintings must be submitted on standard 24 x 18 inch paper used in a horizontal format with either tempura or crayons. Children should use large blocks of color which will reduce well to Christmas Seal size. Painting should be of scenes with a holiday motif such as "Christmas in My State," "The Holidays at My House," "What I Like About Christmas," or other similar themes.

Paintings may be submitted to the Alabama Lung Association, Box 904, Dothan, AL, 36301. For more information teachers are urged to contact the Alabama Lung Association.

In 1948, English's senior year, Alabama was ranked first in the nation by UPI and Elton John appeared live in Memorial Stadium. English served as a photographer on the University yearbook staff and joined the Society of Professional Journalists.

He graduated with a degree in journalism in August from the School of Communication, the fastest growing school in the University. He entered

graduate school in August. "The biggest changes I see are in the students' dress. It's considerably more casual now. I hunted birds and squirrels."

English said he would like to be a freelance writer and outdoor photographer, specializing in activities when he earns his master's degree. He would like to combine two of his favorite career fields with a love for the outdoors.

In 1974, English's senior year, Alabama was ranked first in the nation by UPI and Elton John appeared live in Memorial Stadium. English served as a photographer on the University yearbook staff and joined the Society of Professional Journalists.

## CHILDREN'S ART PROJECT CONTEST

## It Is Back To School For Paul English, Formerly Of Elba

we would redo and redo before we turned in materials to the Army."

English and his wife, the

PAUL ENGLISH  
former Marianne Hughes of Tuscaloosa, plan to stay in Tuscaloosa until their daughter, Elaine, finishes high school. They have two sons, Paul English, Jr., and Jeffrey English, who is in the Navy.

Larry Grantham  
Honored By His Associates

Mr. Larry K. Grantham of Elba, was honored recently by his associates and the management of his district when they selected him as the exceptional life insurance man of the quarter.

The selection was based not only on his sale of life insurance for the quarter, but also on his general attitude towards the life insurance business.

Larry represents Liberty National Life Insurance Company's Enterprise Office.

Bill Drafted To Elect Insurance Commissioner

Senator Robert Wilson of Jasper announced today that because of the failure of insurance companies and the loss of premiums paid by policy holders over a period of many years and the lack of sufficient regulations to control burial insurance companies, he has drafted a bill which will be introduced in the next special or regular session of the legislature to require the State of Alabama of the Insurance Commissioner. The Insurance Commissioner will be charged with the duties and responsibilities of policing the insurance field and will be responsible to the people of the State of Alabama.

Wilson further stated that thousands upon thousands of elderly people had had burial insurance and other insurance policies terminated or cancelled because of inadequate control by the insurance commissioner and the election of the Insurance Commissioner would make him more responsible to the people he serves.

## "A Day In An Indian Village"

Mrs. Harriette Boyd's Primary Class presented an Indian Program, November 25, at the Elba Elementary Cafeteria. The children, dressed in their Indian attire, sang flutes and tambourines and performed dramatizations of brave warriors. The Indian

squaws were Kim Kelley, Teresa Tyson, Beverly Mazwood, Paige Morrow, Shannon Elliott, Rachel Tilley, Camilla Blasi, Starla Henderson and Julie Sullivan. The Indian Chiefs were Tom Stroud and Richie Jacobs. Bill Brueckner played the part of the brave

hunter and Herby McCall was the deer. Brave warriors were Robert Lee, Level Berry, Ronnie Carter and Steve Johnson. Stage decorations included a big teepee and various Indian signs and symbols in the background. The teepee was constructed by Mr. Bob Brueckner, father of Bill.

## 1976 Crop Peanut Marketing Quota Announced

The U. S. Department of Agriculture (USDA) announced national marketing quota of 404,400 tons and a national average allotment of 1,610,000 for the 1976 peanut crop. The allotment is the same quota as for the 1975 crop. This year's marketing quota is 1,610,000 tons; the quota is the quantity of peanuts sufficient to provide a national average allotment of not less than 1,610,000 acres. Peanut marketing quotas have been in effect each year since 1947. The last referendum to determine whether marketing quotas would be applicable was held in December 1974, when 70.9 percent of the 43,611 growers voting favored marketing quotas for the 1975, 1976 and 1977 crops.

The 1976 average allotment for Alabama is 216,638. The 1975 allotment for the State was 216,714.

## Culver Post 42 Enjoys Party

The annual Culver Post #42 Christmas party was enjoyed December 2 with 75 persons in attendance. The event was held in the local legion hall where a delicious meal of turkey with all the trimmings was served. Mrs. Evelyn Reeves, Auxiliary President, gave the welcome address. Special guests for the evening were Mrs. Joyce Austin, District Auxiliary President and Mr. Willie F. Holmes, District Chaplin, both of Troy, Ala. Pictured above are: Mr. and Mrs. Lester Moore, En-terprise legion members; Mr. and Mrs. Maxwell Reeves, Legion Chaplin and Auxiliary President, respectively; Mr. Holliman Taylor, Coffee County Service Officer and Legion Adjutant; and Mr. Haywood Grimes, Commander of Culver Post #42.

## Human Hearts Take A Beating

The human heart beats 42 million times a year, which poses a challenge for scientists who are trying to find materials to replace this vital muscle.

Researchers at Goodyear Tire and Rubber Company are now experimenting with a new kind of rubber which could be used in artificial hearts, but they report that in order to be successful, the rubber material must eventually be able to function for at least 10 years, or nearly a half-billion beats. This would be equivalent to an automobile tire running more than 500,000 miles!

The 1974 death toll for work accidents was approximately 13,400, reports the National Safety Council. This is 6 percent less than the 1973 total.

A delicious plate of chicken salad, cheese straws, and tarts and coffee was served to the guest of honor and her guests by Miss Gypsy Morrow

## SO CINE TV

## Miss King Honored With Coffee

Miss Dyan King, bride-elect of Mr. Patrick L. Serra, was honored with a coffee on Friday, November 28, in the home of Mrs. Jake L. Morrow. Co-hostesses for the occasion were Mrs. L. P. Morrow.

Guests were greeted by Mrs. Jake L. Morrow and seated in the party rooms which were decorated with arrangements of white and pink carnations.

A delicious plate of chicken salad, cheese straws, and tarts and coffee was served to the guest of honor and her guests by Miss Gypsy Morrow

and the hostesses. Those sharing in the occasion with Miss King were her mother, Mrs. Cecil L. Wicker, Mrs. Ellis King, grandmother of the bride-elect, Miss Vicki Taylor, Mrs. Fred Johnson, Mrs. Arthur D. Smith, Mrs. Larry Miller, Mrs. Charles Pearce, Mrs. L. A. Boyd IV, Mrs. Roy De-vane, Mrs. Boyd Murphree, Harper, Sr., Mrs. John B. Harper, Mrs. Eleanor Lee, Mrs. L. A. Boyd III, Mrs. Fred Clark.

Mr. and Mrs. Danny L. Stinson announce the birth of a baby girl, born November 20, at Alhus Air Force Base in Oklahoma. Her name is Dana Marie Stinson.

The proud grandparents are Mr. and Mrs. Leroy Hudson, and Mr. and Mrs. Earl Stinson, all of Elba.

sonville, Florida, and Mrs. John Edwin Morrow of Mobile. The hostesses presented Miss King with a stem of crystal.

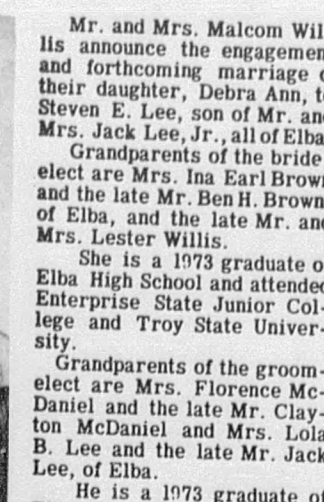

He is a 1973 graduate of Elba High School and is presently attending Navy College and Troy State University.

The wedding will be Saturday, December 20th, at White-water Baptist Church with reception to follow in the church social hall.

## Miss Willis, Mr. Lee To Wed In December

Mr. and Mrs. Malcolm Willis announce the engagement and forthcoming marriage of their daughter, Debra Ann, to Steven E. Lee, son of Mr. and Mrs. Jack Lee, Jr., all of Elba. Grandparents of the bride-elect are Mrs. Ina Earl Brown and the late Mr. Ben H. Brown, of Elba, and the late Mr. and Mrs. Lester Willis.

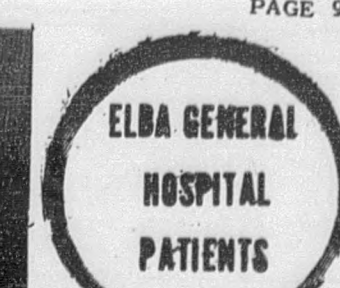

She is a 1973 graduate of Elba High School and attended Enterprise State Junior College and Troy State University.

## Brent Goodson Celebrates First Birthday

Little Brent Goodson celebrated his first birthday on Thanksgiving Day, November 27, at his home on Rt. 1, New Brockton.

Brent's cake was the "corn of Plenty," with pumpkins, candy corn and a big "1", with one candle.

## ELBA GENERAL HOSPITAL PATIENTS

Donnie Marler, Bessie Sasser, Zedie Rowe, Michael Sasser, Eunice Crawley, Billy Rushing, Barbara Johnson, Billy White, Mary A. Stokes, Ronald Clark, Catherine Hendrix, Mollie Alford, Fenton Bryan, Robert Marsh, James Mahaffey.

Those discharged during the same period are as follows:

Bessie Sasser, Zedie Rowe, Mollie Alford, Fenton Bryan, Robert Marsh, James Mahaffey, Leona Tidwell, Molly Allen, Otis McKenzie, Lela M. Flowers, Jimmy Poole, Margie Bryan, Deborah Pope, Yelma Griffith, Luther Pope, Adolph Johnson, Otis Williams, Audrey Kidd, Claude Matthews, Charles F. Calhoun, Tottie Parrish, Pansie Husey, C. C. Gibson, Bernice Grissaw, Eva Daniels, Patsy Gregory.

## Christmas Seal Emblem Celebrates Anniversary

Joining the gaily decorated Yule tree, Santa and his pack of toys and stockings hung by the fireplace as time-honored symbols of the holiday season is the red double-barred cross, adopted to observe a notable anniversary.

In the New Year, the double-barred cross will round out seven decades as the official emblem of the United States. Adopted in this country in 1906, it was first associated with the movement to control tuberculosis, then America's number one killer. Today, as the insignia of the American Lung Association, the double-barred cross is a unifying mark for its more than 200 affiliated associations across the country as they conduct their Christmas Seal campaign to raise funds for the prevention and control of lung disease.

The red double-barred cross is an essential identification sign on the Christmas Seal which decorate millions of letters, greeting cards and gift packages at holiday time. Although the Seal designs change each year, the lung association symbol remains constant.

Mrs. Una Edwards, Christmas Seal Chairman for Coffee County said, "The double-barred cross is now the emblem of a modern-day crusade against emphysema, chronic bronchitis and asthma, as well as TB. In addition, it symbolizes the lung associations' efforts to reduce the dangers to the lungs from cigarette smoking."

Doctor in the Kitchen<sup>®</sup>

Consultant, National Dairy Council

## A MAJOR MORAL QUESTION?

"It makes no difference whatever how much food the world produces if it produces people faster."

"The world as we know it will likely be ruined before the year 2000 and the reason for this will be its inhabitants' failure to comprehend two facts. These facts are:

1. World food production cannot keep pace with the exploding growth of population.

2. Family planning cannot and will not in the foreseeable future, check this runaway growth."

THE FOREGOING sentences are from a statement issued recently by The Environmental Fund in Washington, D.C.

Undoubtedly, there are people who will not agree with the statement. But some very able people in the United States have endorsed it and the point of view deserves to be heard.

With regard to our moral obligation to feed the world, The Fund statement says: "There can be no moral obligation to do the impossible. At some point, we in the United States are going to find that we cannot provide for the world any more than we can police its rapidly rising."

THE FUND cites as its first priority, to create awareness, first in the United States and then elsewhere, of the fact that population must first be stabilized, and then, ideally, be allowed to return to a level where it would be possible for all people to live in reasonable comfort and dignity.

Makes you think, right? If you care to make your views known, write to The Environmental Fund, 1302 Eighteenth Street, N.W., Washington, D.C. 20036.

## Notes From THE BENCH

by **Ricky Mulaz** Sports Editor

**NO MATCH FOR TIDE**  
Despite losing 28-0, Auburn didn't play that bad a game against Alabama. The Tigers were simply beaten by a superior team. There is no doubt that Tide deserved to win, but two fumbles (7) which Auburn recovered, only to see them given back to Bama, might have made the score quite a bit closer. The two Tide bobbles both came during Alabama scoring drives, and if the referees had seen the fumbles, perhaps the score, not the outcome, might have been different.

An interview with Richard Todd in Sunday's Atlanta Journal revealed that Todd admitted that both bobbles were indeed fumbles and Auburn definitely recovered both miscues. However, as Todd also said, "The refs can't see everything." Alabama's game against Auburn had to be one of their best. The Tide was coming off unimpressive wins over Miss. State, LSU and So. Miss., but certainly returned to form in Saturday's win.

I'm strictly an Auburn fan, but I still wish Coach Bryant and Crimson Tide the best of luck in their Sugar Bowl date with Penn State.

"War Eagle and roll tide."

**TIGER CAGERS STAND 2-3**  
The Elba Tigers played three games last week but lost two as their record dropped to 2-3.

The bright spot in last week's play was Teddy Barnes. Teddy had a 6-3 senior, center, poured in 48 points in the three games to up his average to over 16 points a game. Against New Brockton, Teddy poured in 21 points and hauled down 13 rebounds. If Teddy will continue his fine play the Tigers might just win a championship.

A pleasant surprise for the Tigers has been the play of Sylvester Gossy, Gossy, a 'B' teamer last season, has moved into a starting role, and is scoring around 10 points a game.

Elba plays only one game this week, against Florida to tomorrow night (Friday) in Elba. The Wildcats are very quick and should prove a very tough opponent.

**CAGE ROUNDUP**  
New Brockton continued to have their troubles last week as their record dropped to 2-2.

The Gamecocks played without the services of Billy Edwards in their loss to Elba, and without the big man, New Brockton is not a state tournament contender. As a matter of fact, I'm not so sure the Gamecocks are a contender with Edwards!

Zion Chapel tipped off their season with a 62-50 win over Ariz. The Rebels were led by Paul White and Randolph Moultrie who topped in 20 and 18 points respectively.

**PLAYOFF PICKS**  
I hit on 8 of 9 picks last week for an 88% rate. That ain't bad, but this week I'm going to try to something my crystal ball could never do - hit 100%!

**MT. BROOK - DOTHAN** Dothan is in the 44 finals for the second straight year. Last year they lost to Homewood 10-7, this year I won't be that close!

**MT. BROOK 17 DOTHAN 7**  
ATHENS - ANDALUSIA The Bulldogs roll along with a 13-0 record. Andy has shut-out their last two opponents but Athens will prove too tough!

**ATHENS 21 ANDALUSIA 10**  
HAZLEWOOD - HOKES BLUFF Hokes Bluff edged a good Hazlewood team last week and this week should win it all! Hokes Bluff 21 Hazlewood 8

**RANBURN - SWEET WATER** Both teams have been mild surprises in the play-offs. When I flipped the coin it came up heads so Ranburne will win in an upset! Ranburne 14 Sweet Water 12

**\*TEXAS A&M - ARKANSAS** \*TEXAS A&M looked great last week in their win over Texas. The Razorbacks are going to get skinned! Texas A & M 17 Arkansas 7

**HAZLEWOOD - HOKES BLUFF** Hokes Bluff edged a good Hazlewood team last week and this week should win it all! Hokes Bluff 21 Hazlewood 8

**RANBURN - SWEET WATER** Both teams have been mild surprises in the play-offs. When I flipped the coin it came up heads so Ranburne will win in an upset! Ranburne 14 Sweet Water 12

**\*TEXAS A&M - ARKANSAS** \*TEXAS A&M looked great last week in their win over Texas. The Razorbacks are going to get skinned! Texas A & M 17 Arkansas 7

**HAZLEWOOD - HOKES BLUFF** Hokes Bluff edged a good Hazlewood team last week and this week should win it all! Hokes Bluff 21 Hazlewood 8

**RANBURN - SWEET WATER** Both teams have been mild surprises in the play-offs. When I flipped the coin it came up heads so Ranburne will win in an upset! Ranburne 14 Sweet Water 12

**\*TEXAS A&M - ARKANSAS** \*TEXAS A&M looked great last week in their win over Texas. The Razorbacks are going to get skinned! Texas A & M 17 Arkansas 7

**HAZLEWOOD - HOKES BLUFF** Hokes Bluff edged a good Hazlewood team last week and this week should win it all! Hokes Bluff 21 Hazlewood 8

## BRUNDIDGE RIPS TIGERS 79-58

The Brundidge Bulldogs jumped out to a quick 4-0 lead, and never trailed as they ripped the Elba Tigers, 79-58. Brundidge threatened to make the game a laugher in the opening quarter, but Elba refused to quit, and hung on to trail 45-31 at halftime.

The Tigers cut the Dog lead to 53-47 after three quarters of play, but Brundidge dashed any hopes of an Elba comeback by blowing the 10-0 out of the court in the final stanza.

Elba 14 17 16 11 - 58  
Pike 22 23 8 26 - 79

Elba (58): D. Smith 11, Phillips 14, Barnes 8, Gossy 17, Tr. Barnes 2, J. Smith 3, Marson 3.

Pike Co. (79): Bailey 6, A. Johnson 16, R. Johnson 21, Davis 4, Hurt 4, J. C. Flowers 28.

"War Eagle and roll tide."

## TIGERS FALL TO OPP 45-42

The Elba Tigers battled the Opp Bobcats last Wednesday in a rare afternoon game, and saw their record slip to 2-3 as they suffered a 45-42 loss.

The contest was close from the opening tip, with the Bobcats jumping out to a 14-11 first quarter lead. Opp continued to press in the second period, but Elba solved their offensive problems and narrowed the Bobcat lead to 22-21 at halftime.

Neither team could manage to pull away in the third quarter, and with only one quarter left to play Opp led 34-31.

Elba threatened to go ahead several times in the final stanza, and finally knotted the score at 42-42 with 10 left. Opp played for the final shot, and hit a lay-up with 40 left to claim the win.

OPP (45): Hall 4, Hines 5, Nelson 13, Jarrett 9, Phelps 14.

ELBA (42): Phillips 4, Td. Barnes 17, Gossy 8, Tr. Barnes 3, Marson 8.

**TEDDY BARNES (32) FIRES IN TWO-POINT OVER GAMECOCKS MCCLAIN (45)**

The Elba Tigers led from start-to-finish last Tuesday night as they defeated the highly-favored New Brockton Gamecocks, 51-46.

The Tigers came out playing aggressive defense in the first quarter, and jumped out to a 17-12 lead. The Tigers' Teddy Barnes led the Elba outburst by pouring in nine points in the opening stanza.

New Brockton rallied in the second quarter to tie the score at 21-21 midway through the period, but Elba closed the half with a rush, and led 25-23 at halftime.

The Tigers continued their good play in the third quarter, and led 33-28 with 3:01 left in the period. Elba's lead went to 37-28 with 1:06 left when James Smith fired in a jump-shot, and at the end of three quarters Elba led 39-31.

**YOUTH CAGE BASKETBALL LEAGUE TO BE FORMED**

Recreation Director Bo Dunaway has announced that plans are underway to form a Youth Basketball League.

Dunaway told the CLIPPER that "we want all the kids, age 6 and up, to sign up."

Dunaway reported that he hopes to have enough boys to have four (4) divisions. The age groups would be 14-17, 12-15, 9-11, and under 9.

Dunaway urges all parents and children to get involved in the Youth Basketball Program. Anyone interested in fielding a team may do so by contacting Mr. Dunaway at the Recreation Center from 8:00-9:00 p.m.

Get involved!

**TIGERS HOST FLORIDA**

The Elba Tigers will seek to improve their 2-3 record Friday night when they host the Florida Wildcats.

The game will be the first game in 6 days for the Tigers, who lost to Opp 45-42 in their last outing.

Tiger Coach Mance Daughtry feels the rest did the Tigers good, and "we have been improving steadily in each game," he reported.

Daughtry said, "and since our loss to Brundidge, we have cut down on our foul mistakes."

Daughtry felt that the Tigers were playing good basketball.

**1975-76 New Brockton Gamecocks**

Recreation Director Bo Dunaway has announced that plans are underway to form a Youth Basketball League.

## The Pastor's Corner

BY: TOMMY WHITE, Pastor  
BASIN BAPTIST CHURCH

"HIS NAME SHALL BE CALLED WONDERFUL"

Jesus has many names and titles. He is the Son of Man, the Messiah, the Son of God, etc.

In Isaiah, the 9th chapter and 6th verse, the Bible gives Jesus the title of "Wonderful." The word wonderful means "a wonder, marvelous, very good and excellent."

Tom Casaday, County Extension Chairman

## COFFEE

Each year we have one or two or three farmers who are interested in irrigation. However, in the past three months we have had more requests for information on irrigation than we have had the past several years. Evidently all of them are aware that peanuts can stand a lot of rainfall. Of course, we know that corn needs a lot of rain during certain periods of development.

There seems to be a movement toward irrigation, especially on those farms growing both peanuts and corn. In addition, where water is readily available or where wells can be drilled there seems to be extra interest. I feel strongly that in the immediate years ahead we will have an upsurge of the number of irrigation units in Coffee County. Irrigation cannot only increase yields each year, but it will help to maintain high and more profitable yields.

Charles Osburn, our irrigation specialist at Auburn, is discussing types of irrigation units and the latest research findings on irrigating crops. I am hoping that the few people that I do know are interested will make plans to come to this meeting. I will notify farmers by letter early in the year.

**FARM MANAGEMENT**  
Income tax management and livestock and crop selection are going to be very important in the future. They are already big factors in making a living, but these factors will increase in importance in the years ahead. This is one reason why we have scheduled a farm management course to be held in the Community Room at the Farm Center in New Brockton. The course will be held Tuesday and Wednesday, December 4 and 5, at 7:00 p.m.

Charles Maddox, our farm management specialist, will discuss crop and livestock selection tonight, and on the 5th, Dr. Julian Holmes will lead a discussion on estate management and wills. Mr. Maddox talked on income taxes Tuesday night.

All of these things are so important I can't say that any one meeting is more important than the other. All of them will help Coffee County farmers manage their business better and make more profits. I will guarantee that you will learn something about managing your farming business by attending these meetings.

**THANKSGIVING**  
About 30 years ago I was in the city of Calcutta, India, at the end of World War II. One night a friend and I went to a church service, and after the service we had an opportunity to talk with the preacher who was British and was in his mid 60's. We talked for about half an hour in his office, and I don't remember anything else he said except at one point he said this: "You in America have so much, and we have so little."

## National Feed Grain Allotment Set

The U. S. Department of Agriculture (USDA) placed the 1976 feed grain allotment at 87 million acres, according to D. D. Engler, County Executive Director. The national allotment represents the harvested acreage that will produce the quantity of corn, sorghum and barley USDA estimates the United States will use domestically and for export during the 1976-77 marketing year.

The national allotment does not represent a limit on the amount of feed grains that may be planted, Engler said. It is used solely as a basis for making payments to producers based on the market price fall below the established target price, or if growers qualify for disaster payments.

## 4-H Volunteer Leader Program

BY Sandra T. Coffey  
Extension Home Agent  
The 4-H Volunteer Leader Program continues to be very active in Coffee County. This year 103 volunteer leaders are meeting 4-H Clubs throughout the county. These leaders are the backbone of the 4-H program, and they are working directly with school officials, teachers and 4-Hers.

As a result of the volunteer leader program, participation in all projects and activities has increased tremendously during the past three years. During district 4-H eliminations in 1975, Coffee County had a participant in every 4-H program. Coffee County was the only county in the state to accomplish this.

The Coffee County 4-H Club is receiving outstanding cooperation from the school officials in Coffee County. Because of this cooperation, the older youth have an opportunity to participate in all of the 4-H Club programs. Also, a senior 4-H Club was organized for outstanding 4-Hers county-wide. There were 30 members for the first meeting. These include older 4-H club members from all parts of the county.

Last year 4-H involved over 1600 boys and girls in the spring. Some people may be turned off on pine needles because of all the trouble they had with them in their yards during Hurricane Eloise. However, they add a lot of beauty to homesites when properly used. If you would like a few of these which are very reasonably priced, call us at 894-5576. Send a card to me at P. O. Box 48, New Brockton.

**Ozark Host To RC&D Meeting**  
County commissioners, soil conservation officials, mayors and local agency representatives from throughout the Wiregrass received the grand tour of the Ozark Civic Center last week. The occasion was the annual meeting of the sponsors of the Wiregrass Resource Conservation and Development Project. The group of 60 plus community leaders heard Mayor Tom Goff tell about the magnificent facility and plans of how it will serve Southeast Alabama. "It's not just Ozark's facility," he said, "It's for the enjoyment of all the people of the Wiregrass Area."

The purpose of the meeting was to give each assisting agency an opportunity to report what was being done to further the conservation and development of resources in the area. Participating on the program were representatives of the Farmers Home Administration, Agricultural Stabilization and Conservation Service, Extension Service, Soil Conservation Service, Alabama Forestry Commission, Southeast Alabama Regional Planning and Development Commission and Alabama Development Office.

## Spirited COOKING

**THE SOUP SOLUTION**  
If you're ever in the soup for lack of something to serve surprise visitors, here's a recipe that's full of beans and can really help you scotch that problem.

**BEAN AND BACON SOUP**  
8 strips of bacon, cooked and crumbled  
4 cans (11-1/2 ounces) 1/2 cup Scotch or blended whiskey  
1/4 cup oil or vinegar  
6 tablespoons maple syrup  
1/4 cup ketchup  
1/2 teaspoon onion salt  
4-8 lemon slices

Combine bacon, soup, 1/4 cup of Scotch or blended whiskey and remaining ingredients, except lemon slices. Bring to boil, stirring well to combine. Garnish with lemon slices. Warm reserved 1/4 cup Scotch in ladle or small auerpan. Ignite and pour over soup. Makes about 8 servings.

It certainly seems like one warm and hearty way to say "welcome."

## NEW FINANCIAL AID PROGRAM ANNOUNCED

A new financial aid program for low and middle income students attending Alabama post-secondary institutions has been announced by the office of the Alabama Post-Secondary 1902 Commission. According to a 1902 Commission spokesman, this program will provide assistance to all qualifying Alabama students either presently enrolled in post-secondary level study, or those planning to attend second semester, or winter quarter, of this year. This program is made possible by public law 92-318, Title 4, of the Higher Education Act of 1972 and the matching funds recently appropriated by the State of Alabama legislature through passage of the education budget for this year.

Those interested in obtaining financial assistance through this new program are urged to make application immediately through their chosen institution's financial aid officer. The deadline for application for the second semester of this academic year has been set at December 15, 1975.

**NOTICE** - All finished garments not picked up by December 31, 1975, will be sold DOT'S SEWING BASKET 12-4-2c

VOLUME 79 THURSDAY, DECEMBER 11, 1975 ELBA, ALABAMA 36323 1 SECTION 14 PAGES NUMBER 25

## Elba Bands Plan Concerts

**BEGINNER BAND**  
December 11

On Thursday, December 11, the Elba Middle School Beginner Band will hold its annual Christmas Concert at the Elba Elementary School cafeteria. This is the thirty-first annual concert of the band, which was organized in September under the direction of Mr. Scott Weldon.

The concert begins at 7:30 p.m. and the public is invited to attend. No admission will be charged.

**CHORUS CONCERT**  
December 16

The Elba High School Chorus will present an admission free Christmas Concert in the Elba High School auditorium on Tuesday, December 16th at 7:30 p.m. The public is invited to attend and enjoy this fine group.

This is the first year that the chorus has been included in the high school curriculum and has grown from seventeen initial members to the present forty-three member group.

The program will include various Christmas favorites from "Carol of the Bells" to "Hallelujah Chorus" from Handel's Messiah. The chorus will also sing several other numbers not related to Christmas including the two selections that earned them a 4.0 or excellent rating at the Dothan Peasant Festival last October. Featured solo singers will be Miss Mary Collier, a vocal student at Troy State University, and Mr. Bob Stump, chorus director. Mrs. Poney Collier is the accompanist for the chorus.

**INTERMEDIATE BAND**  
December 18

The Elba City School Board will be presenting their annual Christmas concert on Thursday, December 18th at 7:30 p.m. in the high school auditorium.

The scheduled concert is presented to the people of Elba by the band members in appreciation for the continuing support and interest shown in them.

The Intermediate Band, directed by Mr. Scott Weldon, will perform two numbers for the concert. It is composed of fifty-five sixth, seventh and eighth grade students who are in their second year of band.

The concert will be performed by the band and any other Elba students who wish to perform. Special sections will be performed by a brass choir consisting of several members of the Symphonic Band.

No admission is charged to the concert but any donations will be received at intermission. Band students will be distributing complimentary tickets but are not necessary for admission.

## Concerned Citizens Meet With School Board About Rumors

**COACH TO BE NAMED IN EARLY JANUARY**

The Elba City School Board met Thursday night in a regularly scheduled meeting. Along with the routine business, there were twelve people present and attended the meeting. The majority of the group were concerned with the hiring of a new football coach. The majority of the group were concerned with the hiring of a new football coach. The majority of the group were concerned with the hiring of a new football coach.

Chairman Sam Collier thanked the teachers and said, "Certainly it takes people with courage to come to speak up for what you think is right. I am sure you believe what you said. We will consider what you said." He noted that the responsibility for reading, checking, etc. is the board's responsibility, and they would look at these needs. Later in the meeting, he instructed Taylor to look into these needs and report to the board.

Board member Ed Cooper said, "I want to know how people feel, and I appreciate your coming." He was speaking to the teachers and the other visitors present.

Tony Hudson spoke up for the others present after the teachers completed their presentation. He said, "We are interested in the athletic program and understand you are going to make a decision tonight."

Doug Martin, also a board member, asked, "How many applications do we have?" He was told that two had formally applied, and another planned to do so in a few days. A short conversation followed, in which about six names were mentioned as having shown interest in the job, but hadn't filled out an application.

Hudson then said, "I hadn't intended to have anything to say, but most of us are going with the ladies in believing you can hire a football coach for a lot less than the amount named for one of the people you have talked to - I am sure we all have someone we would like to see hired, but we are not pushing any individual."

Again Collier noted that it takes courage to state your case, and that this input would be considered.

Wayne Marlet noted that he was in the group at the meeting a year ago, and, "We still don't have the problem solved." He suggested that the board get information on all men interested in the job, score them out on professional and personal grounds, and hire the best man. He added, "I've been the best coach available whatever it takes to get him."

Collier noted that the Superintendent could not recommend paying \$17,000 and the school board can't afford to pay that out of Board money. Kimmie Ham said, "We ought to pay in line with other schools in our area." It was quickly noted that, according to latest reports, Elba was in line with area schools.

The visitors left after they were assured that each would be notified when the selection was to be made.

Following the discussion about the football coach, the board heard a report by John W. Sharpless on his duties as a counselor in the Elba High School. He explained to the board the procedure he followed in counseling with students and their parents. The board members asked several questions and apologized to Sharpless for detaining him for so long.

Surprisingly quickly told the members he could talk about his job for hours and enjoy it. He thanked the board for the opportunity, and invited each to visit his office at any time.

The board then proceeded to pay bills and discuss the new legislative program for education.

## Cub Scout Pack Meets

Cub Scout Pack #47 met around the teepee. Den 11 denners, Michael Maddox and Tim Mitchell lead the group in singing followed by Harris Davis doing a war dance.

The scouts are still collecting Golden Flake potato chip bags. Please turn them in by December 15 at the Elementary School.

## County Commission Praised For Condition of Roads

The Coffee County Commission met in Enterprise Monday with all members present. The meeting was routine, with the only reference to the Grand Jury report being to ask District Attorney Lewey Stephens to appear before the Commission and give details on Grand Jury demands that something be done with county buildings or they be abandoned. No reference was made to the demand by the Grand Jury that the commissioners submit a five-year plan of road work to be done. Routine business consisted of hearing a complaint on the trash dump at New Brockton. Mr. Rex Powell told the commissioners that someone set fire to the trash Saturday night and he wanted a gate installed and it looked each night. The trash dump is not covered each day as is the garbage dump. The trash dump is filled mostly with tree limbs, leaves, etc.

The commissioners heard a letter read from the Alabama Highway Department on the Fall County Maintenance inspection. This inspection of all county paved roads revealed that they were all in satisfactory condition. The highway department commended county forces for "the excellent manner in which you are maintaining your highways."

## Man Arrested For Rape Of 13 Year Old

The Coffee County Sheriff's Department and the Pike County Sheriff's Department cooperated in an arrest during the weekend in an alleged rape of a minor. They reported that a 13-year-old black girl reported to the Elba Police Department on the incident and two departments cooperated in arresting a 20-year-old man, known to the girl.

## Rescue Squad Officers Named

The Elba Rescue Squad elected new officers on Monday night of this week. The new officers will take office on January 1.

Marvin McIlwain, one of the original members of the rescue squad, will serve as Captain. Pictured below are all the new officers. They are from left:

Bill Hurd, Publicity Officer; Lloyd Driggers, 1st Lt.; McIlwain, Aubrey Carlisle, 2nd Lt. Jr.; George Windham, Equipment Officer; Bobby Boutwell, Secretary; Tommy Boutwell, Treasurer; Bill Walton, 2nd Lt.; Tommy Boutwell, Communications Officer; and Conner Ray Henderson, Equipment Officer.

## Carol Sing Planned For Friday Night

There will be a Christmas Carol Sing held on the Square in Elba on Friday, December 12, 1975, beginning at 7:00 p.m., and lasting until about 9:00 p.m. The annual event is sponsored by the Elba Ministerial Association.

Most of the merchants on the square are planning to remain open during this time for the convenience of shoppers.

**EDITOR'S NOTE:**  
A number of local merchants have been led to believe that donations of \$10.00 were being taken up to sponsor the singing. The Ministerial Association knows nothing about this, and apparently the merchants misunderstood the telephone call they received or someone was deliberately trying to mislead them. Whatever the case, no sponsorships were solicited by the Ministerial Association, and none were expected, according to statements made by a spokesman for the group.

To avoid confusion, a planned special ad section in THE ELBA CLIPPER was cancelled until next Christmas.

## Police Arrest Elba Youth With Drugs

The Elba Police Department arrested an Elba High School student Monday, and charged him with possession of marijuana. The arrest came at 2:30 Monday afternoon on the school campus.

The 17-year-old boy will not be tried in city court, according to Chief M. W. Johnston. He said the youth had a record of previous arrest and conviction on the same charge, and this case would be tried in Circuit Court as a felony. The youth reportedly had one "lid" of marijuana when arrested. He was released on bond Monday night after his father and an uncle appeared to secure his release.

## Rotary Club

John B. Givhan, an attorney from Andalusia, was the guest speaker at the Elba Rotary Club Monday. Givhan, a Vietnam veteran, was a member of a group study exchange team that went to England last summer under the sponsorship of the Rotary Club.

## Elba Youth With Drugs

## New Law Removes Limit On Mayor's Pay

On November 18, the last day of fourth special session of the Alabama Legislature, a bill passed removing limits on the amount of salary that could be paid to mayors of small towns. Previously, mayors in towns the size of Elba could only earn \$400 a month.

The salary must be set by the city council at least six months before an election. This part of the law didn't change. For example, if the Elba election is to be held on August 10, any salary change from the current \$250 per month must be made by February 10.

## Shopping Days Til Christmas
